

# SAINT DAVID CATHOLIC CHURCH

Dear Saint David Catholic School Community,

Over the past year, our campus has experienced an extraordinary transformation. Thanks to the unwavering dedication of our school community—and especially to the generous support of our families—we completed a number of major improvements that have strengthened the safety, beauty, and academic environment of our school. These upgrades included:

- New hurricane-impact windows throughout the school, replacing the original 40-year-old windows
- Structural repairs and concrete restoration for long-term safety
- Updated classroom and office flooring, creating clean and modern learning spaces
- Upgraded utilities in the Activities Center, ensuring a safer and more efficient space for parish and school events
- A full exterior repainting, giving our campus a refreshed and welcoming appearance

One of the most exciting achievements has been the creation of our new STREAM Lab, built in the space formerly used for maintenance storage. This state-of-the-art learning environment now supports hands-on education in Science, Technology, Religion, Engineering, Arts, and Mathematics, strengthening our commitment to developing curious, creative, and faith-filled problem solvers. We are proud to be among the small number of schools in the Archdiocese of Miami actively pursuing full STREAM Certification.

To sustain this momentum and ensure that our facilities continue to meet the needs of our students, we have established the Wolfhound Improvement Fund—an annual fund dedicated to supporting:

- Ongoing facility upgrades
- Capital improvements
- Enhancements to classroom technology and learning environments

Beginning with the 2026–2027 school year, each family is asked to contribute \$1,000 annually to support the Wolfhound Improvement Fund. This contribution may be made:

- As a one-time donation,
- Or through monthly or quarterly installments via your FACTS account.

# SAINT DAVID CATHOLIC CHURCH

This shared commitment allows us to maintain stable tuition levels—especially important for families benefiting from Step-Up Scholarship funding—while continuing to improve and strengthen our campus for all students.

The success of Saint David Catholic School has always been rooted in the partnership between our parish, our faculty and staff, and you—our devoted families. Your continued generosity and involvement make it possible for our school to grow, thrive, and offer the highest-quality Catholic education.

Thank you for your trust, your commitment, and your faith in the mission we share. May God bless you abundantly throughout this school year, and may our students continue to grow in wisdom, knowledge, and grace.

In Christ,

Reverend Ryan Saunders  
Pastor
